# Sobotta Anatomi Atlas Trke Pdf Indir 2021

This is the 6th edition of Anatomy: A Regional Atlas of the Human Body - Sobotta, J. Atlas of Human . Anatomy: The Regional Atlas of the Human Body is an atlas containing images of the entire human body, but on a regional and organic scale. The figures show all areas and organs that relate to human anatomy. The content of this publication reflects both traditional and modern understanding of anatomy. The atlas contains over 500 full color images. The book is available to students and practitioners and can be used as a reference
