Sexy men kissing has to be so great! This guy was sharing a pool with his best friends and one of them dared him to kiss that hot girl who was sunbathing. And it turns out that he got very much into the kiss. He also took some good selfies while he was doing it. This dirty lesbian couple was living in an asylum which they visited a lot. One day, they went there to get some drugs and they went out to look around the garden outside. After a while, they started walking around the outside and found these boxes. Inside there was a bunch of toys and they started playing with it. They were kissing with each other and exploring each other bodies. This hot blonde girl was sitting on the beach and enjoying the sun. She was reading a book about something and admiring the beautiful sunset. Suddenly, two naked guys appeared on the beach. They were just chilling there and having a good time with the sun. The girl was shocked to see two men naked on the beach. She looked at them but then they smiled at her. Goku and Vegeta were also together in order to defeat the evil Majin. But when they go into his palace, Goku and Vegeta became covered by the bad scent of the Majin and then they become bad moods. Goku goes out of the room and Vegeta was left with Gohan. But soon, he went into the room and there he saw Goku covered with the bad scent. He also saw a naughty looking Gohan in his underwear. The first to show their cocks Goku and Vegeta sucked their cocks and then Gohan began to do the same. He then continued sucking on their cocks until they were fully erect. But then they began their dirty and wild game. They started smacking their balls into each other faces and once they were fully aroused they fucked each other and then they began to have the most hardcore of threesome. Goku and Vegeta have a lot of business to take care. They have to go to many different places and usually, they have to travel by spaceship. But they always stop to take their time. They are fond of each other and he thought he wanted to fuck him. So they went to the spaceship and Goku immediately started kissing Vegeta. He started running his hands all over his body and he was touching his cock too. After some time they were ready for the next stop. Vegeta wanted to go back home to his house but Goku knows that Vegeta is also good looking.
